

Photo and Video Imaging Program: Minor

Associate of Arts Division of Fine Arts

Following is information regarding a new associate degree and a minor in Photo and Video Imaging, which includes both photography and videography. Neither degree is intended to be primarily a stand-alone degree, but either a preliminary degree leading to a later Bachelors degree or a complement to another degree, such as Business, Communication, or Graphic Design.

This is the degree completion guide for the photo and video imaging minor.
