2023-2024 verification worksheet

federal student aid programs

Independent Your application was selected by the U.S. Dept. of Education for review in a process called "verification." In this process, Union's Student Financial Services office will compare information from your FAFSA with data from the IRS and this worksheet. Below are the steps you must do before financial aid can be awarded to you.

- If you and your parents used the 2021 IRS Data Retrieval tool (DRT) when completing your FAFSA and did not make any changes
 to that information, a 2021 tax return transcript is not necessary.
- 2. If you and your parents did not use the IRS DRT or you made changes after using the IRS DRT, contact the IRS at **www.irs.gov** or call 1-800-908-9946 to obtain a 2021 tax return transcript. We can also accept a signed copy of the 1040 and accompanying schedules.
- 3. If your parents did not file or are not required to file an IRS 1040, your parents must provide **Verification of Nonfiling** from the IRS (Form 4506–T, box 7 and box 9 for Dec. 31, 2021) and include a copy of 2021 W-2 forms from all employers.
- 4. Complete all sections and sign the worksheet. You and your parents must sign the worksheet.
- 5. Submit all required documents to the Student Financial Services office.
